WE ARE MUDITA

WHAT DOES MUDITA MEAN?

THE WORD 'MUDITA'

comes from Pali, a Middle Indo-Aryan language native to the Indian subcontinent and has no counterpart in English.

We can describe it as pleasure, that comes from the unselfish joy of witnessing the well-being of others. We chose this name because we're happy when you're happy.

AT MUDITA,

we redefine the essence of technology with our minimalist devices.

Our philosophy is to craft products that harmonize with consumers' lives, instead of competing for their attention. That's why we bring a serene alternative to today's overly complicated and distracting world.

MUDITA RADIANT AUTOMATIC

A field watch for every story

A Swiss Made field watch with exceptional legibility for everyday comfort. Durable enough to accompany your everyday adventures.

- 👁️ Unparalleled legibility: A custom font, large indices, anti-reflective sapphire, and Super-LumiNova® BGW9 make the time easy to read in sun or dark.
- 🔩 Everyday durability: A 316L steel case, AR sapphire, crown guard, Incabloc®, and 10 ATM water resistance are built for daily wear.
- 🌱 Conscious materials: Durable vegan straps use sustainable textiles for a cruelty-free choice.
- 🇨🇭 Swiss Made quality: Made with Chrono AG in Switzerland and powered by a Sellita SW 200 Elaboré (± 7 to ± 20 s/day) to meet strict Swiss standards.
- ⌀ A fit for every wrist: Available in 32 mm, 37 mm, and 40 mm case sizes.
- 🎨 Versatile style: Choose from 5 nature-inspired dial colors and 6 quick-release straps to match your look.
